

Stapleford Community Primary School

Newsletter 4 22.10.2021

Dear Parents and Carers,

We have enjoyed a busy first half term, and are looking forward to a rest next week. Thank you for the contributions to the parent partnership this week, your thoughts are most insightful and helpful as we continue our drive for improvement.

Harvest Assembly: We were delighted to welcome Rev Simon Taylor to our harvest assembly today- which we held outdoors so the whole school could be there together. It was a lovely celebration of poems, pictures and artwork, with some wise words from Rev Simon.

Covid19: With recent increases in numbers nationally we are having to maintain our caution regarding visitors to school. However we are still planning things like a whole school trip to the pantomime (Monday 13th December) in the hope that the situation eases.

Headlice: Could I please ask that all parents check and treat as necessary headlice, as we have an outbreak once again.

Anti Bullying Week: Once again we shall have several events throughout anti bullying week. Odd socks day is planned for Monday 15th November, and the juniors will be using VR headsets to examine scenarios regarding bullying, for which we are asking for a £5.00 contribution towards costs. Cambridge United football Club will take a whole school assembly, and Premier sport will have a workshop with Year 2.

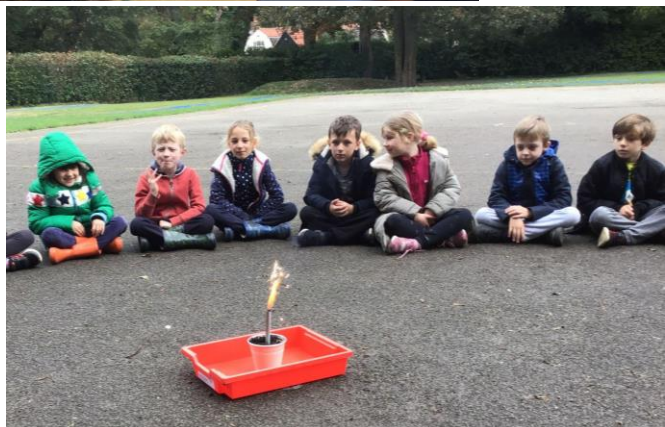

I have attached some photographs taken recently for you to enjoy.

Thank you so much for your continued support.

Best Wishes,

C Spain
