

<p>Choose a character from a fairy tale. Make a character profile about them explaining how they were misunderstood in their story.</p>	<p>Design a toy which can be pushed or pulled in order to work. Explain how it works and why it would be fun for children.</p>	<p>Measure 5 items in your home. Write the measurements in centimetres and millimetres. Order the items from shortest to longest. Write some word problems involving your items and their lengths – consider adding items together, finding the difference between two lengths.</p>
<p>Draw yourself wearing a brilliant outfit. Label yourself with French words! You could use colours, body parts or the names of clothing items.</p>	<p>Create your very own sport. It can have any rules that you want, be played outside or inside, use a ball, a bat, a racket, a table, a net, a hoop – anything you pick! Remember to tell me what equipment I would need and how to play the game!</p>	<p>Think about a festival, a time of year or an event that is special to you. What do you celebrate? How do you celebrate? Is it different to other days? Is it special to other people or just you? How do you feel during this celebration? Why is it special?</p>

Homework Menu – Spring 2: Choose 5 activities to complete before the Easter holidays.

Bring your work in before the holidays and we shall look at all of your homework. Feel free to post photos on Google Classroom throughout the half term!
