Friday 14th January 2022

Dear Parents and Carers,

Happy New Year! I hope you have all had a very enjoyable Christmas break and are looking forward to the Spring term. The children have leapt back into learning with enthusiasm and excitement – it is a pleasure to see.

Topic

Our topic this half term is 'The Titanic'. The children will be exploring one of the most iconic ships in history and discovering the reasons behind the tragedy. We will investigate the incredible feat of engineering and ambition the ship represented and follow the journeys of the passengers on board. Attached you will find an overview of this unit.

Homework

This half term, Year 6 have been given a longer project to work on over the half term. They can work on these over a few weeks but need to have brought them in by **Friday 11th February**. They could also complete some of the additional homework activities included on the sheet.

Please encourage your child to complete the activities on mathematics as regularly as possible.

PE

PE will take place on a Wednesday afternoon and a Thursday morning. Please could your child come into school in their PE kits on these days.

I hope once again this information is useful and please remember not to hesitate in contacting me if you have any questions or concerns.

I hope you have all had a relaxing Christmas break and are re-energised for the exciting term ahead!

Yours sincerely,

Miss Katie Street
