Friday 25th February 2022

Dear Parents and Carers,

I hope you have all had an enjoyable half term break. Our new school website is live. Please visit the class page for additional information and photos of work we have been doing this year.

Topic

We will finish our topic on the Titanic this half term and will then move on to learning about Africa and Ancient Benin. During this topic, we will be finding out about the human and physical geography of Africa, vegetation belts, Ancient Benin and Nelson Mandela. Please see the topic web for more information about this.

Homework

This half term, Year 6 have been given a longer project to work on over the half term. In addition to this, your child will receive a weekly revision pack focussing on SPAG, reasoning, arithmetic and reading. Reading will not feature every week as some of this will be done in class.

Please encourage your child to complete the activities on mathletics as regularly as possible.

SATs

SAT assessments will be taking place this year between the 9th and 12th May. On Tuesday 8th March, we will hold a short information session about these in the Year 6 classroom. As parents evening will be taking place after Easter, please let me know if you have any particular questions that you would like to discuss before then. We will be starting some optional revision sessions in school. I will take one session. Mrs Webb, Mrs Hore and Mrs Spain have also offered to help with these at different times. If you would like your child to attend, please fill in the form below showing when they would be available. The before school sessions will take place from 8:15 - 8:55 and the after school sessions will be from 3:30 - 4:15.

PE

PE will take place on a Wednesday afternoon and a Thursday afternoon. Please could your child come into school in their PE kits on these days.

I hope once again this information is useful and please remember not to hesitate in contacting me if you have any questions or concerns.

Yours sincerely,

Miss Katie Street
