

Stapleford Nursery June 2022

Dear parents and carers,

A warm welcome back for the last term of this academic year! I hope you all had a wonderful half term and enjoyed the Queen's Jubilee celebrations. I want to take this opportunity to say a huge thank you to the parents, carers, families and children at Stapleford Nursery for making this a truly fantastic year with you all; as many of the children will soon be transitioning to Reception. For those that are continuing with us, we have many more exciting experiences to come.

This term our core book will be 'The Rainbow Fish' by Marcus Pfister. A lovely story which teaches lessons of sharing, friendship and caring for others.

This story often creates lots of opportunities for children to share their thoughts and experiences, such as going to the beach or an aquarium. As we focus on this book we'll identify the children's interests, basing our plans and provision around these interests.

Moat and PE Days

This term we will continue to visit the moat on a weekly basis as well as having PE sessions in the hall. Please can I remind you that as the weather gets warmer the children should still always have **long sleeves** (they can have one in their bag if it's a hot day) and **trousers/leggings** for the moat to protect their arms. Please send your child in with a **named water bottle, sun hat and sun cream**. This term the moat session will be on Tuesday mornings and the PE session will be on Thursday afternoons. Please send your child in comfortable clothing if they attend the PE session and shoes that they can take off and put on independently (no laces).

Dates to Remember:

- Sports Day-Friday 1st July
- Stay and play dates for children moving to Reception and new (September) Nursery children: **Wednesday 15th June, Tuesday 21st June and Thursday 30th June**
