

Stapleford Community Primary School

Newsletter 15 25.06.2022

Dear Parents and Carers,

It has been great seeing the children enjoying using the pool both during the school day for lessons, but also after school. With the increasingly hot weather, please do ensure your child has a sun cap/hat, sun-cream to apply unless they have long lasting lotion applied before school, and a water bottle.

Sports Day: We shall be holding our traditional sports day on Friday 1st July. All children need to arrive in school in their PE kits please. The youngest children Nursery up to Year 2 will be outside starting races at 9:30-10:30am. The older children in Y3 to Y6 will go outside from 10:45-12:00. Parents are invited to stay and watch, and there will be some chairs available for you to use. Whilst you may photograph your own children, please note there are some children who are NOT allowed to be photographed so please exercise great caution when taking pictures.

Parent Survey: Thank you everyone who completed the recent parent survey. Mrs Robinson, one of our school Governors is currently analysing the results, which shall be shared in due course.

Sporting Achievements: Well done to the girl's football team who played several matches in a recent tournament at Linton Heights School. Whilst they did not win this time, they played very well, scoring several goals along the way. The whole tournament was played in Great Spirit, and well done to Bottisham Community Primary School who won the event. Earlier this month a team of Y5 pupils represented the school at an athletics meeting in a 'quad kids event'. The team were outstanding in their behaviour character and effort. Well done to Carrie and Maxime who came away with individual medals for their achievements.

Second Hand Uniform Sale: The washed and unclaimed uniform has been added to the second hand uniform store. There will be a sale of this on the playground during the week next week.

And finally, the **Fun Run tomorrow** (Sunday 26th June) is on the Magog Downs, a beautiful venue with stunning views over Cambridge. The races start at 10am, with registration closing at 9:30am, so please arrive early if you are yet to register.

Yours sincerely,

C Spain

Headteacher

Dates: Summer 2022
