

Year 4 Spring 2 Homework Menu

<p><u>Maths</u> Complete the attached worksheet on placing fractions on a number line.</p> <p>Please ask me if you find this difficult – or do as much as you can!</p>	<p><u>English</u> Create a newspaper report about the Vikings and their invasion of England. This could be either to raid rich places or to conquer land.</p>	<p><u>French</u> Create a menu in French for the Cafe.</p>
<p><u>PSHE</u> Why should medicine be stored out of reach of children?</p> <p>Write an explanation as to how to keep children safe around medicine.</p>	<p><u>Science</u> As it's spring time, new plants begin to appear. Choose a plant and consider its habitat. Make a factfile about the plant and include where that plant grows.</p> <p>Remember our French learning from last half term, some plants grow in the desert, others in the Arctic and some in fields.</p>	<p><u>Computing</u> Create a poster about staying safe online. Here are some questions to get you started: What should you do if you come across something you don't like? What information can you share online? Who should you be communicating with?</p>
