As a school we embraced our Coronation Celebration! We acknowledged the King's Coronation with a range of activities across the morning, including creating portraits of King Charles. We then came together as a school with an assembly and picnic in the afternoon where we were fortunate that the sun shone for us! Thank you for your contributions to our picnic. Pupils wore the Crown they had designed and enjoyed the decorated biscuits they had made. We also had a visit from King Charles (in cardboard cut-out form!).

'Small Grains' Visits, a new pilot education programme developed by Stapleford Granary for Stapleford Primary School.

Year 2 and Year 3 have now enjoyed visits to Stapleford Granary. This week Year 3 explored a new exhibition and made the 'world' for Blue Dog and in Poppy's words 'it was one of the most exciting, thrilling and extraordinary experiences'!

Dear Kate and Livvy,

Thank you for letting us visit The Granary, it was one of the most exciting, thrilling and extraordinary experiences I have had in a long long time. I really enjoyed it all but overall my favourite activity was making an environment for blue dog by describing and making. I also think all the artwork in the Granary is well placed and absolutely stunning. So another thank you for housing such beautiful artwork in your Granary. I also think you did a spectacular job on the shadow puppet show based on Peter and the Wolf.

Open Classrooms and Cake Sale Fundraiser for Guide Dogs

A reminder that we are inviting parents/carers to our 'Open Classroom' event on Friday 19th May (3.30- 4.15pm). We will also be holding a cake sale to raise funds for Guide Dogs for the Blind on this date. This is a charity that Mrs Ede who works in the school office is championing as she will soon be training a Guide Dog puppy. We are fortunate that Guide Dogs in training are hoping to join us next Friday to support our assembly and be present for our Cake Sale.

Please can pupils bring money to purchase cakes and support this charity event.

Thank you in advance for your support.

Willow Trip to Scotsdales

Willow class recently had a fantastic visit to at Scotsdales. They learnt a lot about plants and had a great 'I Spy' session. Inspired by the Scotsdales sunflower and our learning about Van Gogh, the class completed observational drawings of sunflowers.

Year 6 SATs Week Congratulations to Year 6 who took their SATs Week in their stride! Pupils worked hard to complete their test papers in Spelling, Punctuation and Grammar, Reading, Maths Arithmetic and Maths Reasoning. To end their week, pupils were able to celebrate and work with Fenland Adventure who provided activities on our school site. We are proud of all the efforts of our pupils and we are now all looking forward to end of year events, including our Year 6 Production!

Important Reminder - Online Food Ordering (Action: All Parents)

From Monday 15th May, parents and carers will be required to pre-order and pay for their child's meals for the week ahead using the online portal from our caterer, Innovate.

Once you have registered, do not forget to place your food orders online. If school meals are not ordered, a packed lunch will be required.

Please note there will be a 'Horrible Histories' theme lunch on 18th May - see menu.

Swimming Pool Opening

We are delighted to be opening our pool for the Summer season and a significant amount of work has taken place to make this possible. Thank you to Mr Brown as Site Manager for all his efforts to get the pool ready. We are also very grateful to the small team of committed parents who have worked hard to confirm and manage details of the Stapleford Swim Scheme.

Following training on Thursday and this coming weekend, staff and parents will have completed Resuscitation training and ‘dipped’ into the pool to demonstrate that they can collect a dummy from the pool floor. All these preparations make swimming lessons in school and Family Swim opportunities possible. *Thank you to the team involved.*

Next week you will receive letters about the details for your child’s class swimming sessions (starting after half term) and requesting parent volunteer support.

Maths Challenge

Congratulations to the Year 5 team who attended the Maths Challenge at Icknield Primary School this week. Elin, Malia, George and Olivia showed amazing skill, teamwork and dedication, even winning a certificate for their skills in estimation! All four were a credit to Stapleford Primary School and we look forward to many more opportunities to showcase our brilliant Stapleford mathematicians at future events.

Mathathon! Pupils embraced our Mathathon and thank you for your sponsorship. Please feel free to continue to collect donations to support our PTA fundraising.

Title: Royal Institution@ Coleridge Community College: Energy Live! Show

Time: 5.30-6:30 pm

Price: FREE

Suitable For: KS1, KS2 and Secondary School

Join us here at Coleridge Community College, where we will be welcoming the Royal Institution to deliver a lively, fire-based demonstrations suitable for all the family, to allow us to take the intimidation out of the terminology around energy and show you just how simple this subject can be. This event will include fire, bangs and pops! You will leave not only knowing their elastic from their gravitational, but also fired up (pun intended) about energy and with a newly-enthused approach to science. Suitable for families with children in primary school as well as Secondary. Please note that all primary pupils must attend with an adult.
