Dear parents and carers,

Welcome back to Stapleford Nursery for Summer Term 1. I hope you all had a wonderful and restful Easter break. We are excited to welcome you all back.

This term our learning will be based around our core book *The Very Hungry Caterpillar* by Eric Carle. Any time we introduce a book we revisit vocabulary such as front cover, Author and Illustrator, so please feel free to do this at home when looking at books too.

This book has so many fantastic learning opportunities linking to varied areas of development including Maths, Literacy, Understanding the World and many more. We will also be welcoming an exciting addition to our Nursery room to inspire the children further...

Although we will be starting our term with this story at the core; as always, we will observe the children's interests and build on this to plan our activities on a weekly basis. To find out more about what we will be learning this term, please refer to the Topic Web document.

As always, if you have any questions or queries please do not hesitate to contact me [nursery@staplefordprimaryschool.org](mailto:nursery@staplefordprimaryschool.org)

## Moat Session

### **Moat Summer Term 1: Wednesday mornings**

Please be aware that **we will not be going to the moat on Wednesday 19th April**, but we will go weekly from Wednesday 26th April.

Although the weather is getting warmer and brighter, it is very important that the children always come to Nursery with their arms and legs covered to avoid stinging nettles and thorns. As we are going first thing in the morning this term, it would be extremely helpful if your child could come dressed for the moat in their coat, waterproofs and wellies.

## PE Session

### **PE Summer Term 1: Tuesday mornings**

Please send your child in comfortable clothing if they attend Nursery on a Tuesday morning. It is also useful if they do not wear tights, as the children take their shoes and socks off to do PE in the hall. Please also be mindful that during this session we are also supporting the children in learning to take off and put on shoes and socks independently, so preferably shoes that do not have laces.

## Library Session

### **Library Summer Term 1: Monday afternoons**

On a Monday afternoon we will visit the library in the Key Stage 2 block. This is a great opportunity for the children to explore other parts of the school, as well as having the opportunity to share a variety of books together. If your child takes a book home, please ensure they return it the following week so that they can choose a new book. Of course, if they particularly like a book they have chosen they are more than welcome to keep it for a longer period of time.

Dates for the Diary

**Monday 19th June** Fathers Day Stay and Play for parents 9-10am-more details to follow

**Friday 30th June** Nursery Class Assembly-parents and carers invited

Kind Regards,  
Lauren Davies
