Dear parents and carers,

Welcome back to the final term for this academic year! Time has flown by and what a fantastic year it has been. I would like to take this opportunity to say a huge thank you to all the children and families that attend Stapleford Nursery. We have loved getting to know you and your children and feel we have been lucky to form close bonds with all of you.

This term our learning will be based around the story The Rainbow Fish by Marcus Pfister. This book helps support something we continuously strive to embed within the Nursery which is to be kind. It also gives us a brilliant opportunity to delve deeper into the children's knowledge of sea creatures and the world around us. As always we use our core book as a basis for learning, but closely observe the children's interests and plan our learning with their interests at the core. To find out more about what the children will be learning this term in relation to the different areas of development, please refer to the Topic Web document.

As always, if you have any questions or queries please do not hesitate to contact me
nursery@staplefordprimaryschool.org

A little note...

As the weather is getting warmer every child should come into the Nursery with sun cream applied, a named sunhat and named water bottle. You are welcome to put sun cream in their bag for re-application during the day. Please ensure this has their name on too.

Drop off (for parents of children transitioning to Reception in September)

As many of the children will soon be transitioning into a Reception class, independence is extremely important. Some parents may want to take this as an opportunity to drop off at the door to support the adjustment of doing this in the Reception class. However, if you are still coming in with your child, please make sure they are putting away their belongings independently. You could support this further at home by encouraging your child to dress themselves, put on their shoes and have a go at zipping up their jackets/doing their buttons.

Moat Session

Moat Summer Term 2: Tuesday afternoons

Please ensure that children are either wearing long sleeves and trousers/leggings to cover arms and legs (or if not have some in their bag), as regardless of the temperature we want to make sure the children don't get caught by stinging nettles etc. We still require wellies so please bring these in a plastic bag (with a name on).

Running Track Session

Running Track Term 2: Friday mornings

Now the weather is a bit drier we will be visiting the running track on a weekly basis. Please make sure the children come in trainers (preferably slip one or velcro ones).

PE Session

PE Summer Term 2: Monday mornings

As always please send your child in comfortable clothing and most importantly, shoes they can take off and put on independently. We not only use this session to practise physical skills, but also an opportunity to encourage and support independence too.

Library Session

Library Summer Term 2: Thursday afternoons

Each child will have an opportunity to choose a book to borrow from the library. We suggest your child brings this book back by the following Thursday so that they can swap it for a new one. However if they want to keep it for an additional week, they are more than welcome to do this.

Dates for the Diary

Monday 19th June Fathers Day Stay and Play for parents 9-10am-more details to follow

Thursday 22nd June Sports Day (9-11am)

Monday 26th June Transition Story Session

Friday 30th June Nursery Class Assembly-parents and carers invited
