

ART AND DESIGN TECHNIQUES

All children will have the opportunity to work with a range of media to develop their drawing, printmaking, 3D sculpture, painting and textiles techniques. Techniques will build upon those taught in previous years and will include focus on the use of accurate vocabulary to talk about art, such as line and colour.

EXPERIENCE

The intent of building a Cultural Capital for our pupils is central to the aims of our art and design curriculum. We want all children to experience the arts in a variety of contexts and with authentic experiences

ART AND DESIGN BIG IDEAS

INTENT

CREATIVITY

All children will be provided with opportunities to develop their own creativity and express themselves through art. Children will be able to develop ownership over their work by being given opportunities for freedom in the development of their work and the explorative nature of lesson design.

EXPERTS

Through our curriculum design, all pupils experience a diverse range of arts people, from artists, to sculptors and craft makers. We aim to celebrate the arts as a profession and opportunities within this field.

SKETCHBOOKS
